

## Admission exam - GAP test

Admission procedure to Economic Data Science  
and Business Information Systems and Computer Science  
Bachelor's degree programmes

Admission to all bachelor study programmes taught in English at the Faculty of Informatics and Statistics is based on the results of the **General Academic Prerequisites (GAP) test** organized by **SCIO**.

Applicants must follow these steps:

1. Complete your application to FIS, pay the application fee.
2. You must **register for the test independently** via the SCIO website.
3. **Give consent to share your results**, in your SCIO profile, you must enable consent for your test results to be shared with the Faculty. You do not submit your GAP test results to the Faculty. Results are transferred automatically by SCIO.
4. See here for sample GAP tests.

### **GAP test dates**

For each application round, you can choose from two test dates. You may take the GAP test only once per application round.

Application deadline: 28 February 2027

- Test date: **20 February 2027** or **20 March 2027**

Application deadline: 30 April 2027

- Test date: **24 April 2027** or **22 May 2027**

### **Test voucher**

The application fee includes one GAP test attempt. You will receive a voucher generated by SCIO.
