Admission exam - GAP test

Admission procedure for the Economic Data Science and Business Information Systems and Computer Science Bachelor's degree programmes

Admission to all bachelor's degree study programmes taught in English at the Faculty of Informatics and Statistics is based on the results of the ***General Academic Prerequisites (GAP) test*** *organised by* ***SCIO****.*

Applicants must follow these steps:

1. *Complete application to FIS and pay the application fee.*
2. *Register separately for the GAP test via* ***the SCIO website****.*
3. *In your SCIO profile, consent to sharing your test results with FIS. SCIO will then make your results available to FIS automatically. You do not need to submit your results to FIS separately.*

GAP test dates

For each application round, you can choose from two test dates. You may take the GAP test only once per application round. (You can view a sample GAP test here.)

Application deadline: 28 February 2027

- *Test dates:* ***20 February*** *or* ***20 March 2027***

Application deadline for the GAP test on 20 February 2027: 31 January 2027
Application deadline for the GAP test on 20 March 2027: 28 February 2027

Application deadline: 30 April 2027

- *Test dates:* ***24 April*** *or* ***22 May 2027***

Application deadline for the GAP test on 24 April 2027: 1 April 2027
Application deadline for the GAP test on 22 May 2027: 30 April 2027

Test voucher

The application fee includes one GAP test attempt (option "Mini"). You will receive a voucher generated by SCIO.
