

Regulation
by the Dean of the Faculty of Informatics and Statistics
No. 01/2019 from 18th June 2019
on granting scholarships

The Dean of the Faculty of Informatics and Statistics (hereafter as the “Faculty”) hereby determines the conditions for granting scholarships to students at the Faculty, in accordance with the Scholarship Regulations of the Prague University of Economics and Business (hereafter as the “VSE”).

Article 1

Definition of Terms

1. The current academic year is the academic year for which a student requests a scholarship.
2. The previous academic year is the academic year immediately preceding the current academic year.
3. The previous school year is the year immediately preceding the first year of the bachelor study.
4. The average grade is defined and calculated pursuant to Article 3 letter f) of the Study and Examination Rules of VSE.
5. Extraordinary scholarship is defined by Article 4 of the Scholarship Regulations of VSE.

Article 2

Merit Scholarship

1. Merit scholarship for excellent study results pursuant to Article 3 of the Scholarship Regulations of VSE, may be awarded to a student in the *bachelor study* at the Faculty who:
 - a) Study in their 3rd to 6th semester in academically oriented study programmes (Applied Informatics, Economic Data Science, Information Media and Services, Mathematical Methods in Economics), or study in their 3rd to 7th semester in professionally oriented study programmes (Data Analytics, Multimedia in Economic Practice),
 - b) Achieved an average grade of 1.30 inclusive in the previous academic year, and
 - c) Gained at least 60 compliance credits in the previous academic year.
2. Merit scholarship for excellent study results pursuant to Article 3 of the Scholarship Regulations of VSE, may be awarded to a student in the *master study* at the Faculty who:
 - a) Study in their 3rd or 4th semester,
 - b) Achieved an average grade of 1.30 inclusive in the previous academic year, and
 - c) Gained at least 60 compliance credits in the previous academic year.
3. Merit scholarship may be awarded to a student in his or her 1st year of bachelor study who, in the previous school year:

- a) Achieved at least the percentile of 95 in the test of general study prerequisites in the National Comparative Exams weighting the verbal section with 0.3 and the analytical section 0.7, or
- b) Took part in the national level of a contest recorded by the Ministry of Education, Youth and Sports, or
- c) Completed the optional part of the secondary school graduation called Mathematics+ with the success rate of at least 70%,

and at the same time:

- d) gained at least 29 compliance credits in the first semester, and
- e) gained at least 57 compliance credits in the first two semesters combined.

Article 3
cancelled

Article 4

Scholarship Request

1. A student applies for the merit scholarship under Article 2, par. 3 and the extraordinary scholarship by means of an electronic request in the InSIS information system.
2. The merit scholarship pursuant to Article 2, par. 3 may be awarded from 1st to 31st July of the given calendar year.

Article 5

Awarding Scholarship

1. The Dean decides on granting the scholarship.
2. A scholarship under Article 2 cannot be awarded to a student who has been subject to one of the sanctions under Article 2, par. 3 of the Disciplinary Code for Students at the Faculty of Informatics and Statistics.
3. A merit scholarship pursuant to Article 2, par. 1 and 2 is awarded to every student who meets the eligibility requirements as of September 1st of the current academic year.
4. An extraordinary scholarship pursuant to Article 4 of the Scholarship Regulations of VSE concerning semester-long study abroad exchange program overseas to which the student was sent by VSE is paid as a one-time sum in November or March of the current academic year, depending on when the student is participating in the study abroad exchange program overseas.

Article 6

Amount of Scholarship

The amount granted in the scholarship depends on the available funds of the Faculty and the number of applicants.

Article 7

Scholarship Payment

1. The merit scholarship pursuant to Article 2, par. 1 and 2 is paid in monthly instalments and may be paid retrospectively for September, October and November.
2. A student is not entitled to the merit scholarship pursuant to Article 2, par. 1 and 2 for the months of July and August. The scholarship awarded under Article 2, par. 1 to students in the 7th semester of the bachelor study programme shall be awarded for the months of September to January.
3. The merit scholarship pursuant to Article 2, par. 3 is paid upon fulfilling the condition pursuant to Article 2, par. 3, letter d) and e).

Article 8

This Regulation becomes valid on 18th June 2019 and comes into force on 1st September 2019.
